

# Announcing an Open Pilot for New Schoolwide Advisory Resources

Are you an AVID Secondary educator or part of a Secondary Site Team looking to leverage AVID strategies in the advisory class on your campus?

**Streamline the process** of integrating AVID strategies into your advisory course and accelerate efforts to foster student access to rigorous academic preparedness, student agency, and opportunity knowledge schoolwide.

## AVID Schoolwide Advisory Resources are:

**Simple.** Easily extend the benefits of AVID to more students with an **implementation guide** focused on best practices for integrating AVID into a broad range of advisory courses.

**Efficient.** Access plug-and-play **content units** with individual lessons collated for immediate use, requiring minimal preparation time.

**Flexible.** Resources can be easily integrated into **a range of advisory formats**, eliminating time spent “retrofitting” AVID curriculum for different contexts.

**High-quality.** Content is aligned to AVID standards and AVID’s newest thinking and resources, supporting high-fidelity extension of AVID to advisory courses.

**High-impact.** Use **Instructional Routines** to regularly expose advisory students to core AVID strategies such as Grade Checks, Collaborative Study Groups, and Building Relational Capacity.
