

Schoolwide Advisory Resources

Accelerate your efforts to take AVID schoolwide.

Are you an AVID Secondary educator or Secondary Site Team looking to leverage AVID strategies in the advisory class that is offered on your campus? On August 1, 2022, AVID will release AVID Schoolwide Advisory Resources to make the process seamless and easy for you.

Announcing
an open pilot
for a new
resource!

Streamline the process of integrating AVID strategies into your advisory course and accelerate efforts to foster rigorous academic preparedness, agency, and opportunity knowledge in students schoolwide.

AVID Schoolwide Advisory Resources are:

- ✓ **Simple.** Easily extend the benefits of AVID to more students with an **implementation guide** focused on best practices for integrating AVID into advisory courses.
- ✓ **Efficient.** Access plug-and-play **content units** with individual lessons collated for immediate use, requiring minimal preparation time.
- ✓ **Flexible.** Resources can be easily integrated into **a range of advisory formats**, eliminating time spent “retrofitting” AVID curriculum for different contexts.
- ✓ **High-quality.** Content is aligned to AVID standards and AVID Center’s newest thinking and resources, supporting high-fidelity extension of AVID to advisory courses.
- ✓ **High-impact.** Use **Instructional Routines** to regularly expose advisory students to core AVID strategies such as Grade Checks, Collaborative Study Groups, and Building Relational Capacity.
